LOGAN COUNTY
ENGINEER'S OFFICE

Road Construction Update

For Immediate Release: Monday, August 2, 2010

Bridge 38-0.29 in Richland Township Is Closed for Repair

The Logan County Engineer's Office announces that our crews will begin repair of the gable end of the Bickham Covered Bridge over the Southfork of the Miami River in Richland Township between State Route 368 and County Road 96. This is due to damage from an oversize vehicle.

The closure is immediate and duration can not be determined at this time. The roadway will be closed.

We apologize for any inconvenience that may occur.
